

**HOW TO PARTITION DEPTH**

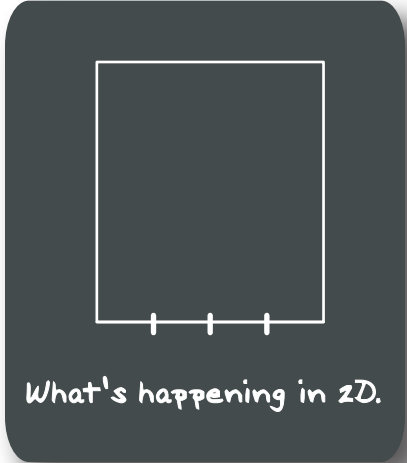

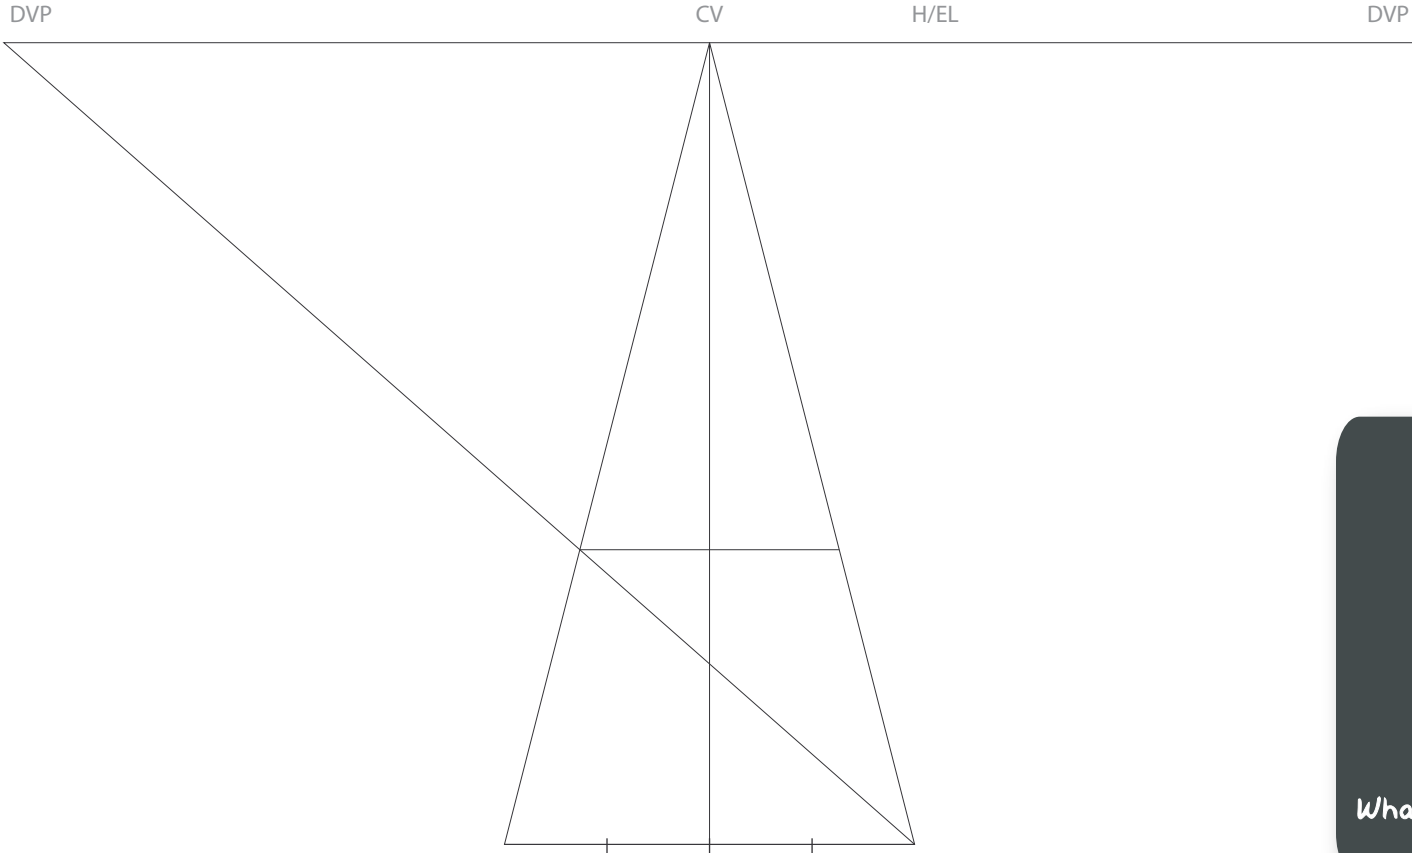

Rebecca B. Bennett

step 1  
Draft a square in one-point perspective.

**HOW TO PARTITION DEPTH**

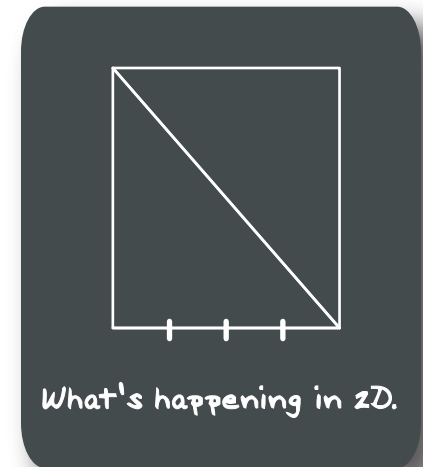

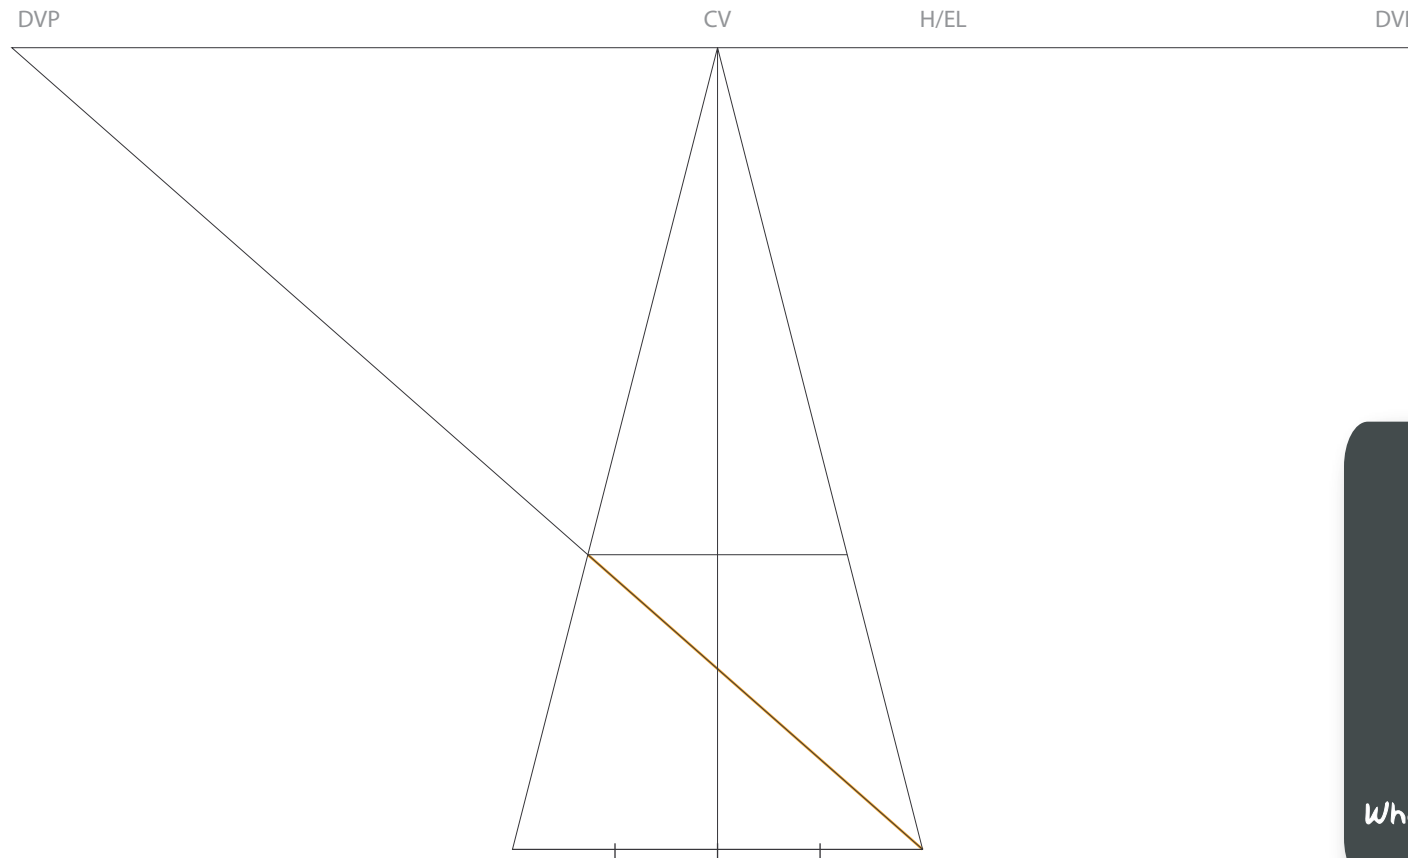

Rebecca B. Bennett

step 2  
Measure the desired units along the front edge.

# HOW TO PARTITION DEPTH

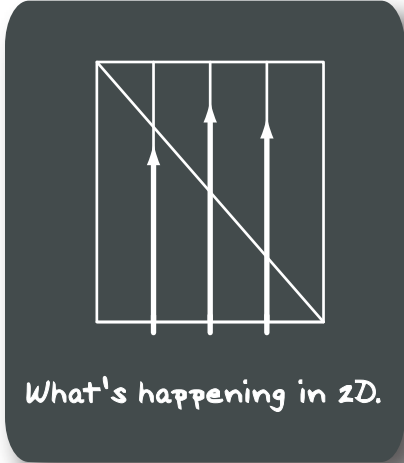

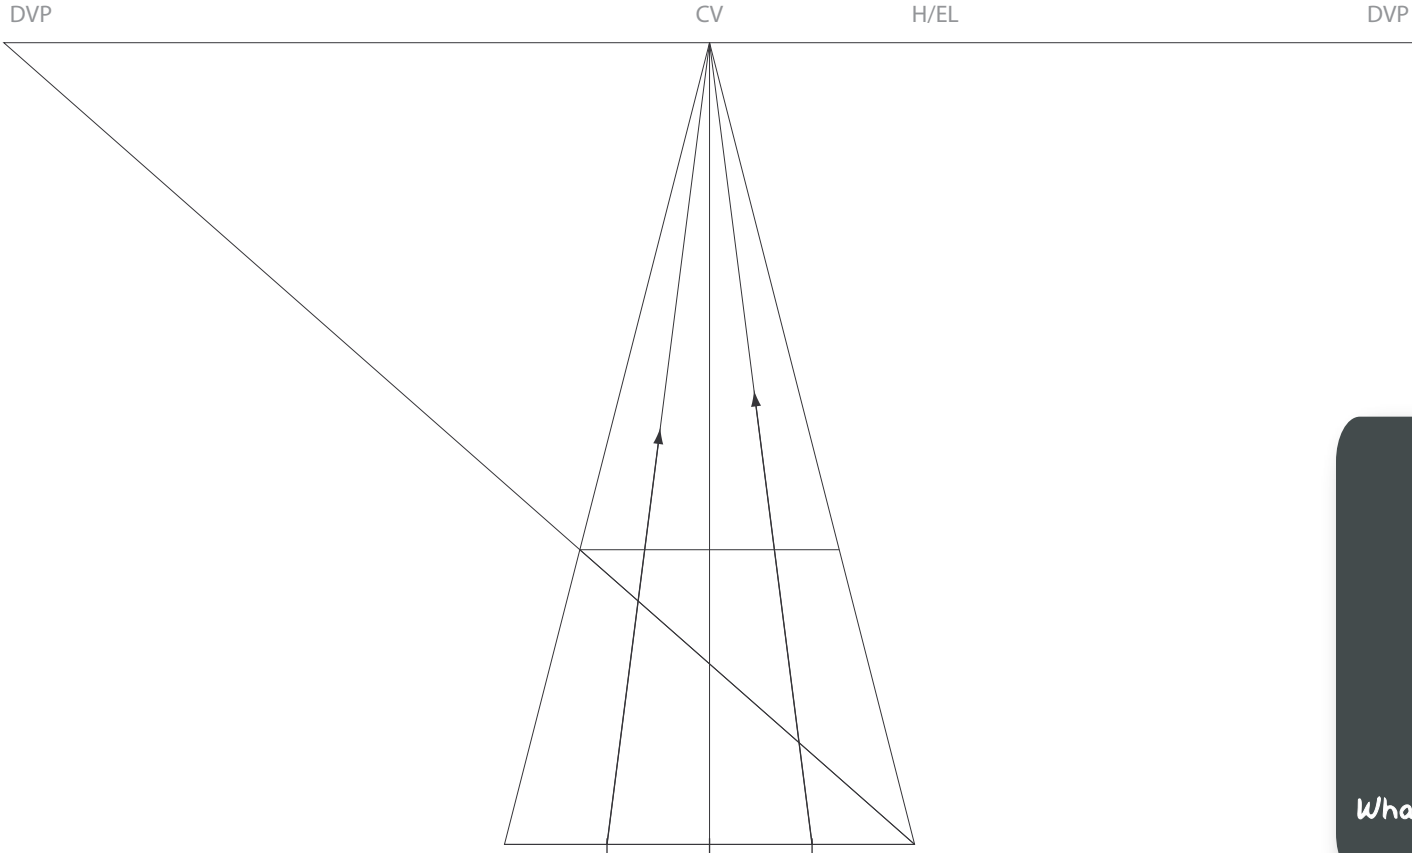

Rebecca B. Bennett

step 3  
Identify the (or make a) line that goes from corner to corner of the square.

**HOW TO PARTITION DEPTH**

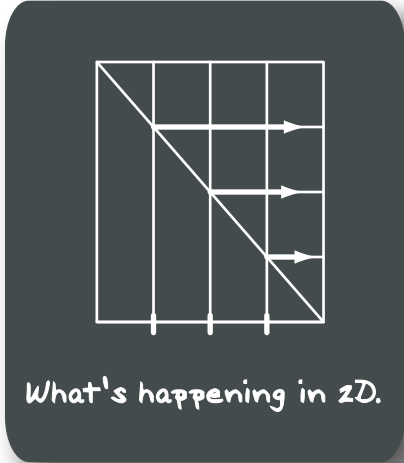

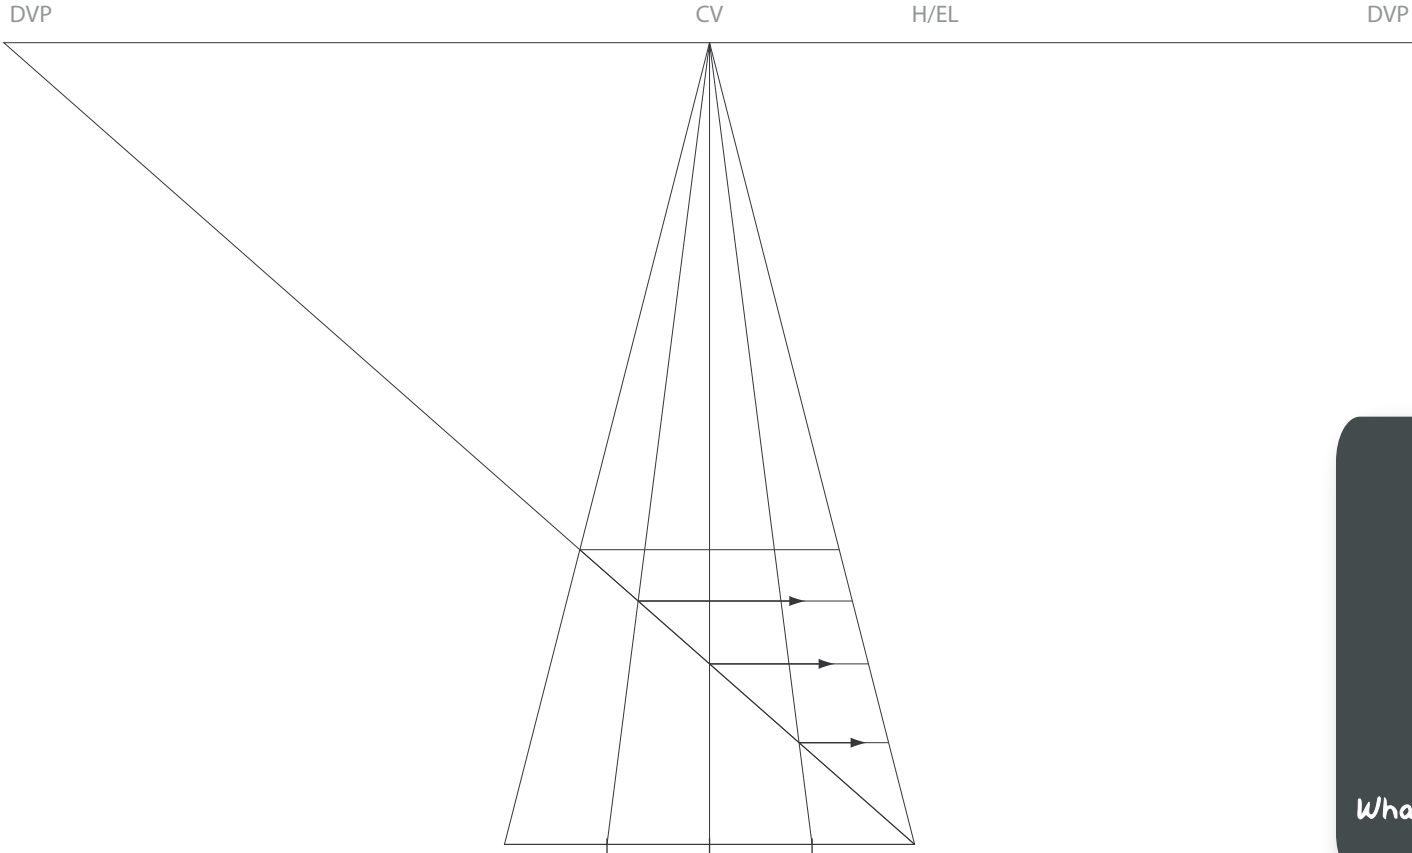

Rebecca B. Bennett

step 4  
From the units measured on the front edge, send orthogonal lines back to the CV.

**HOW TO PARTITION DEPTH**

Rebecca B. Bennett

step 4  
From the units measured on the front edge, send orthogonal lines back to the CV.
